COMMENTS ON STATEMENT OF REASONS
FOR ALLOWANCE AND EXAMINER'S AMENDMENT

Sir:

In the Examiner's Statement of Reasons for Allowance attached to the Notice of Allowability mailed August 8, 2006, the Examiner listed reasons for the allowance of the claims. However, the features noted by the Examiner do not accurately reflect what is recited in each of the independent claims. For example, no independent claim explicitly recites "printer's errors". Nevertheless, Applicant respectfully submits that each of the pending claims is allowable for its combination of claimed features.

Also attached to the Notice of Allowability mailed, the Examiner presented an Examiner's Amendment. However, the Examiner's Amendment should read as shown on the following papers. The modifications to the Examiner's Amendment are minor, are directed mainly to format and do not affect the scope of the claims. For example, in Claim 55, line 16 and Claim 62, line 16, "a second identification code" should begin a new paragraph and Claim 60 should end with a period ".".
